July 1, 2020

Mandated Requirements

As of July 1, 2020, the U.S. Department of Education requires all nursing programs to post on their website:

A list of all states/jurisdictions where the institution's curriculum meets state educational requirements for professional licensure or certification. *

A list of all states/jurisdictions where the institution's curriculum does not meet state educational requirements for professional licensure or certification.

A list of all states/jurisdictions where the institution has not made a determination of whether or not the curriculum meets educational requirements. **

*All information can be found at the National Council of State Boards of Nursing website:

<https://www.ncsbn.org/14730.htm>

Please note some states participate in Compact Licensure.
